

MOORES VALLEY NURSERIES

AVAILABILITY LIST – MAY 2024

BUXUS NewGen 'FREEDOM'[™]

A new Buxus for NZ, which is Blight Resistant and a solution to the disease & pest problems which some Buxus here have been facing. A vigorous grower, it is ideal for hedging & topiary. In 2020, Buxus NewGen 'Freedom' was planted in gardens around the American White House. Get in quickly to purchase this plant. For further information see next page.

BUXUS NewGen 'FREEDOM'™

This month we have an exciting addition to our Availability List, with a new Blight Resistant Buxus available. It is great to have a replacement Buxus available after many plants and hedges have been removed because of the blight in the last few years.

Buxus NewGen 'Freedom'™ is a vigorous plant and growth rate is 5-15cm per year. It has a beautiful glossy green, dense foliage, which may slightly bronze in winter. It can be planted in sun or shade. This plant is ideal for formal hedges or topiary. It will grow around 1m high if not pruned over 15 years. We recommend planting 3 plants per metre if using it for hedging.

Buxus NewGen 'Freedom'™ is an American hybrid, which was selected in 2020 for replanting the White House gardens. It was selected due to its good resistance to the Buxus blight.

This Buxus is exclusive to Moores Valley Nurseries in the lower North Island, and is covered by a Trademark and PVR.
