

Hello to all our valued customers,

How we will operate Nursery sales under Level 3 lockdown Covid Restrictions

- We cannot let customers wander into the nursery to shop.
- Customers can pick up a pre-paid order from our car park at an agreed time.
- We will have a contactless delivery service around the Wellington region only. This will cost \$45.00 for up to 50 plants – PB5 (3L) bag size. If delivery is larger we will quote you a delivery price.

Please note: we cannot do deliveries anywhere else in the country under Level 3 lockdown.

- We will have both of our nurseries open for click and collect orders:

Wainuiomata 285 Moores Valley Road, Wainuiomata

Levin 132 McLeavey Road, Ohau, Levin

How to order plants for a contactless click and collect pickup, or for delivery:

- Please send an email to us on:
info@mooresvalleynurseries.co.nz
- Please advise us of the following:
 - Your name, address (*for delivery purposes*) and phone number (*in case we*

need to speak with you about order)

- The nursery (Wainuiomata or Levin) you wish to pick the plants up from
- A list of what plants you require and the number of each required

- Once we confirm your order, we will send out an invoice which you can pay via internet banking. If you cannot pay by internet banking please let us know.

Payment needs to be made the day prior to pickup. Once payment is received we can arrange a day and time for you to pick up your order. We will endeavour to give you the time which suits you.

- When picking up your order from the nursery car park, it will be ready for you to load yourself. You will also need to wear a mask when picking up your order.

When will click and collect orders be available:

Once Level 3 lockdown occurs on Wednesday 1 September, we hope to have orders ready for pickup from Thursday 2 September. The nursery will be open for pickups from 10.00am – 4.00pm, 7 days.

You can email your order to us prior to Lockdown Level 3 beginning.

Please be patient, as during last year's Lockdown Level 3, we were extremely busy getting orders ready for collection.

We hope that your gardens are getting lots of care and attention during this lockdown, and we are looking forward to being able to get plants to you through our contactless click and collect system.

Take care everyone,

Dave and team
